

Laboratory Student Scholarship Applications Available from API

Applications are now available for the American Proficiency Institute (API) Scholarship Program. The API program will award five scholarships totaling \$10,000 to medical laboratory science students in 2017.

“This is the tenth anniversary of the API Scholarship Program,” explained Daniel C. Edson, API President. “Today’s students are tomorrow’s medical laboratory scientists. Supporting students in their pursuit of a career in the clinical laboratory is highly important to us.”

Scholarship applications are available at www.api-pt.com. Senior- and junior-level medical laboratory science students are encouraged to apply. Interested students should complete the application and submit it to their program director for a statement of support and signature. Program directors must submit the completed applications to API by November 10, 2017.

Five winners of the \$2,000 awards will be announced by December 8, 2017.

The American Proficiency Institute is one of the largest proficiency testing providers in the world, serving over 20,000 laboratories. API offers innovative solutions and technical excellence for the proficiency testing needs of hospital and reference laboratories, physician offices, clinics, and point-of-care testing sites.
